Do you have references who could recommend you for Pom ownership (please list with contact info.)? \_\_\_\_\_

Name and phone number of current veterinarian: \_\_\_\_\_

In order for you to adopt a Pom from this program, it is necessary for you to have a personal, in-home interview with one of our Rescue Program volunteers. All members of your household must be present. The purpose of the interview is to acquaint you with our breed and its needs, as well as to meet your family and to determine physical and personality matches between the dogs and the people.
